

Clerk-Treasurer's Report

May 20, 2015

Vouchers:	100	#	Amount \$178,159.86
General Fund	54		116,806.02
Water Utility	28		41,624.46
Wastewater Utility	18		19,729.48

Clerk-Treasurer Monticue requests a part time replacement for the vacant position of Administrative Coordinator. In lieu of an Administrative Coordinator, Clerk-Treasurer Monticue requests a part time Deputy Clerk who would work on an as-needed hourly basis.

Wayne Metals LLC has submitted a request for abatement, Statement of Benefits (SB-1), which would be the Town's Resolution 2015-1. This has been submitted for approval this evening.

Wayne Metals LLC has submitted (2) CF-1s for approval of compliance with previously approved Statement of Benefits.

Clerk-Treasurer Monticue is currently relocating her office to 520 West Logan Street. Colen Moving and Storage was doing most of the heavy lifting on May 20th. Until the move is complete, Clerk-Treasurer Monticue may be working between both buildings. There is currently no fax machine available until Frontier Communications bores a new phone line at the new office. The Town Hall phone was up and running by the end of the day on May 20th. The Street Department currently does not have a phone, but the utility emergency cell phone is still available 24/7: 358-6604. Should there be any other concerns, Clerk-Treasurer Monticue's cell phone number is 260-273-1486.

Due to the discontinuance of the Summer Sprinkling Program, residents are encouraged to contact the Markle Fire Department should they need to fill a large swimming pool.

The following leak adjustment is requested:

- Clara Wolf, 285 W. Sparks St., in the amount of \$119.12 for a leaking toilet.

Respectfully submitted,
Shelley Monticue, Clerk-Treasurer
