All employees and Council Members had in their mail box a copy of Internal Control Webinar. Employees and Council Members are asked to log on and view the webinar. A form for the INTERNAL CONTROL TRAINING CERTIFICATION FOR ELECTED OFFICIALS, APPOINTEES, and EMPLOYEES is attached for the individual to sign stating that they have completed the training. We still need a few employees and Council member's forms.

Just a reminder the Town does not pay sales tax. Tax exemption forms are available at the Clerk's office.

A.E. Boyce submitted a proposal for DISASTER RECOVERY. Copy Attached. We currently back-up in the office and off premises. Also ITI backs-up in the Cloud.

There are tax forms (W-9) needed when we buy from a new vendor. It is much easier to get these forms before we make the purchase. This month we had six new vendors and no W-9's. Just for your information and to be correct with our records.

Respectfully submitted,

Carolyn Hamilton
