January 4, 2018

Dear Water Utility Customer,

We noticed that you usually pay your water utility bill at First Merchants Bank. We were advised January 3, 2018 that as of February 1, 2018, First Merchants Bank will no longer collect water bills for the Markle Water Utility. We want to thank First Merchants Bank for their many years of service in this capacity.

We wanted to let you know that our office is open from 8:30 a.m. to 4:00 p.m. (Monday thru Friday) We are located directly across from the bank. We have a drop box on the east side of our building on the Miller Street side.

We also offer Direct Withdrawal and can automatically withdraw your water bill from your checking account. You will receive the water bill at the beginning of the month as usual and it can be deducted from your checking account on the 20th, if you complete the proper paper work.

You can also pay with a credit card through PayGov.US, however there is a 3% transaction fee for this service.

Our office wants to continue to provide the best service possible for our customers, and we hope one of the above solutions will work for you.

Happy New Year!

Respectfully,

Carolyn Hamilton, Clerk-Treasurer
