Council,

Just to review:

Money was placed from Rainy Day to Tracy Street in the beginning of 2016 for the Town's share of the project. It was not used. We are transferring it back to Rainy Day from where it originated.

Tree Board Fund Balance is \$3.17. Dormant does not warrant a Fund.

\$4,864.65 in Water Bond & Interest was for a loan payment. We no longer have a Water loan.

This is just some housekeeping transfers. This was reviewed with the SBOA when they were here.

Thanks,

Carolyn
